Dear Hiring Manager,

I am very interested in your job posting and would like to learn more about this great opportunity. I am an accomplished **Mobile First UI/UX Web Designer** with over 16 years of experience in graphic design, user interface, database architecture, SQL queries, programming languages, and business management software systems. My expertise includes, but is not limited to **Photoshop**, Illustrator, InDesign, **HTML5**, **CSS3**, **Wordpress**, Drupal, Joomla, **PHP**, XML, **jQuery/Javascript**, JSON, **Angular.js**, Ember.js, Backbone.js, **React.js**, Agile Development.

I graduated from Clark Atlanta University with a bachelor's degree in **Business Administration with concentrations in Finance and Management Information Systems**. As a student, I gained the necessary knowledge that is required to perform this particular job.

I have worked as a **Front-End Web Developer, Database Architect ,and a Graphic Designer** with highly reputable corporations such as AT&T and LeasePlan USA. Specifically, the 2.5 years spent at LeasePlan USA allowed me to gain experience in database planning, design, architecture, and testing.

Thank you for reviewing my resume. I am very excited to have this opportunity to address you and I know that our face-to-face interview will be a joy for us both. I have enclosed a copy of my resume for your review. I have what it takes to add value to the organization.

I am available for interview at any time. Please do not hesitate to call me. I look forward to your response.

Sincerely,

*Mark Anthony Russell*
