

## PERSONAL STATEMENT

I'm an experienced **Mobile First Front-End Web Developer** based in Atlanta, GA. My work is always of the highest quality; I take on each project as though it were my own. My expertise includes, but is not limited to HTML5, CSS3, jQuery/Javascript, JSON, Angular.js, Agile Development, Wordpress, Drupal, Joomla, PHP, XML, Photoshop, Illustrator, InDesign.

I'm punctual, creative, and responsible. I work well with management, peers, and clients from all backgrounds. I am a consummate perfectionist at everything I do; I refuse to fail. I'm a fervent learner; I'm always looking for new, more efficient ways of accomplishing tasks.

While I've enjoyed the freelance world, I am looking for a permanent, full-time position with a reputable company that offers room for growth.
